Terms & Conditions of Registration

- Space in the *Parent and Child* programs are limited to approximately 9 families, with both a lead teacher and an assistant in the class (an assistant is added when the class has reached 8 families). This allows for a small enough group to ensure an enjoyable experience for parents and their young children.
- There are three sessions per year (fall, winter, spring), and we encourage families to enroll for the full year. While we cannot guarantee that a space will be available for families with babies and toddlers wishing to move up to the next age category during the year, we will give priority to those families once a space becomes available. New families are welcome any time space permits, and we will keep a waiting list.
- Full payment must accompany your registration. If you are enrolling for the full year, you may make payments per term with post-dated cheques.
- Family discounts are available for those families who have a second child *fully* participating in the program. The second child may attend at a 70% discount to offset material costs.
- **Refund policy:** A pro-rated refund, less a \$25 administration fee, is available for withdrawals that occur prior to the third week of the program. We are sorry that we are unable to give refunds for missed classes.
- The Trillium Waldorf School reserves the right to cancel any program which does not receive sufficient enrollment, in which case a full refund will be given.
